¹ As of Dec 01 2020, in Illinois, only Cook County posted daily Covid-19 related death information by zip code of residence. Occasionally this information included the zip codes of deaths of non-Cook County residents that occurred in Cook County. In these situations, the information regarding deaths here published for those zip codes must be considered incomplete.

² Derived via quantiles in Chicago's Covid-19 incidence data. The rate level classifications for zip codes are relative and subject to change as new cases are added.
